

Is there
another way
you can verify
your answer?

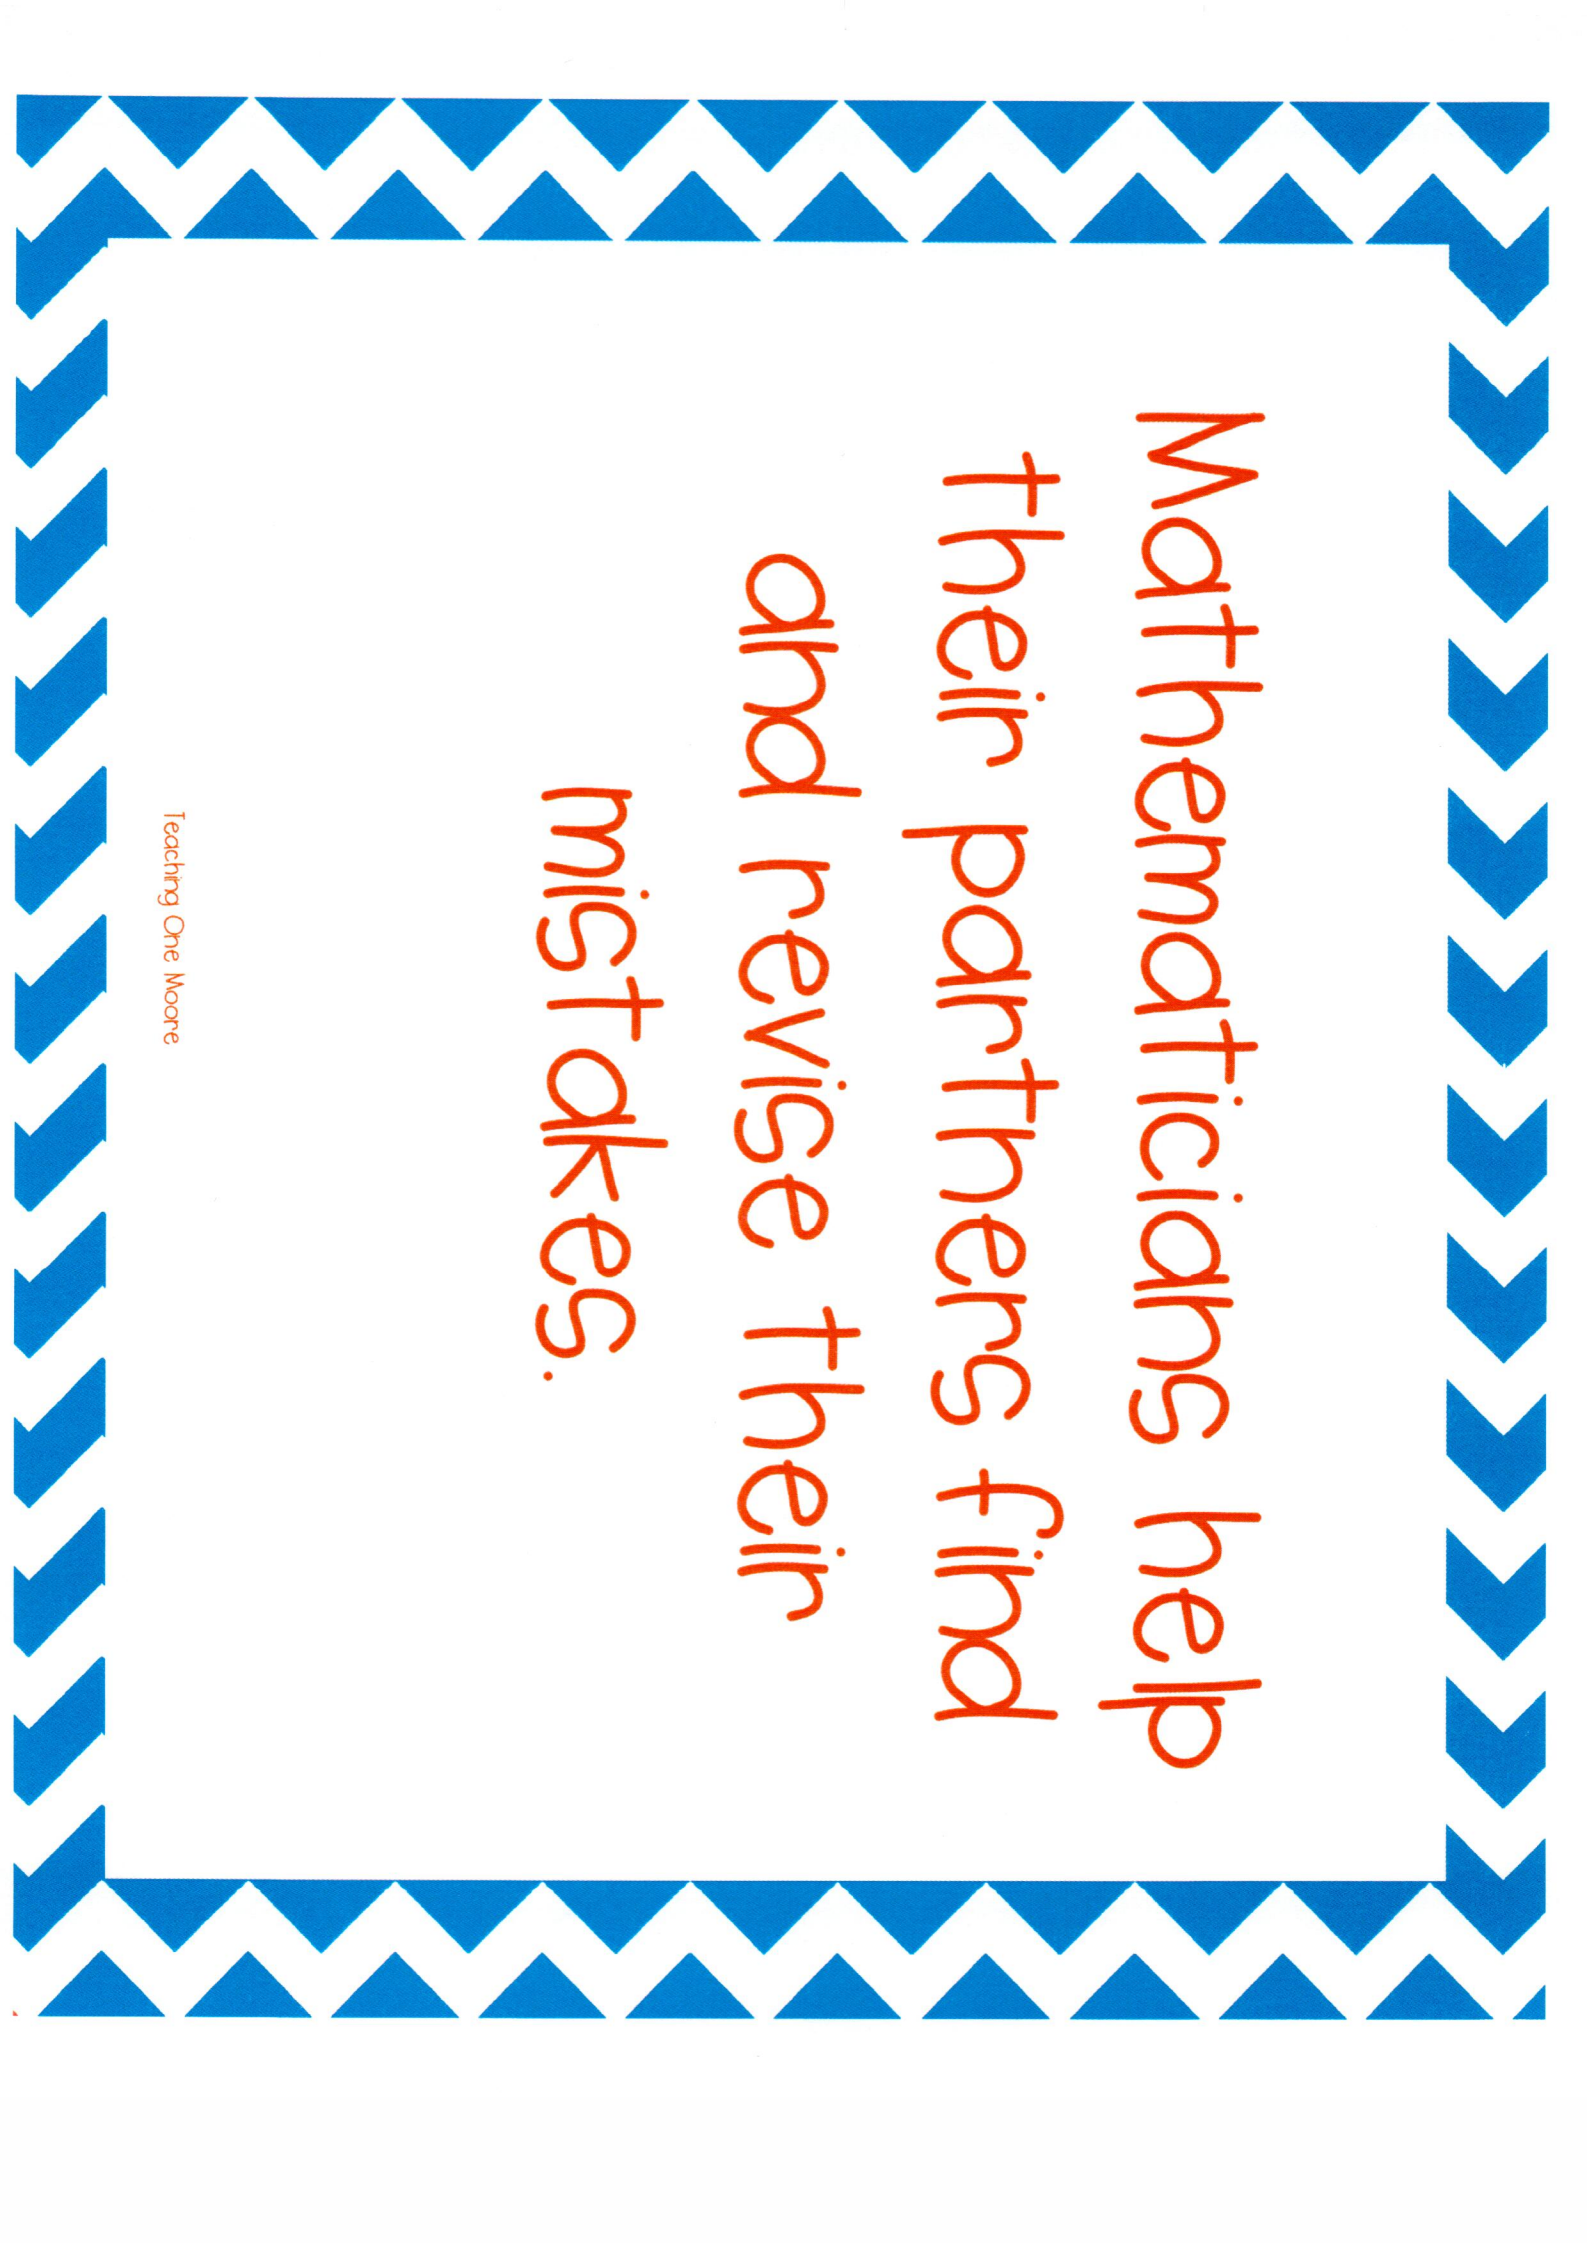

What in the
problem
caused you to
_____?

“I noticed that
you ____, but
I’m wondering
about ____.”

“I noticed that
you _____, can
you tell me more
about that?”

Mathematicians help
their partners find
and revise their
mistakes.

Explain to me
why you decided
to ____.

“Could you
explain how your
 matches
the problem?”
